

# Little White Lies

## One Direction

If this room was burning  
I wouldn't even notice  
'Cause you've been taking up my mind  
With your little white lies, little white lies You say it's getting late  
It's getting late  
And you don't know if you can stay  
If you can stay But you, you don't tell the truth  
No you, you like playing games Your hands touching me, they're touching me  
And your eyes keep saying things  
They say what we do  
When it's only me and you  
I can't concentrate That's all I'm thinking about  
All I keep thinking about  
Everything else just fades away If this room was burning  
I wouldn't even notice  
'Cause you've been taking up my mind  
With your little white lies, little white lies You say you're a good girl  
But I know you would girl  
'Cause you've been telling me all night  
With your little white lies, little white lies  
With your little white lies, little white lies Back seat of the cab,  
We're in the cab  
My lips getting so attached,  
They're so attached Now you wanna make some rules  
Now cool then we'll watch them break tonight I know what you want  
And I've been waiting so long If this room was burning  
I wouldn't even notice  
'Cause you've been taking up my mind  
With your little white lies, little white lies You say you're a good girl  
But I know you would girl  
'Cause you've been telling me all night.  
With your little white lies, little white lies  
With your little white lies, little white lies I know you want it  
I know you feel it too  
Let's stop pretending  
That you don't know what I don't know  
Just what we came to do If this room was burning  
I wouldn't even notice  
'Cause you've been taking up my mind

With your little white lies, little white lies You say you're a good girl  
But I know you would girl  
'Cause you've been telling me all night  
With your little white lies, little white lies  
With your little white lies, little white lies
