

# 139 (Instrumental)

## New Creation Worship

Chasing shadows in the dark Pursuing empty dreams  
Threw my words into the wind Trying to find release  
With my heart and soul laid bare When I met Your kindness there Love is drawing me near to You And it all  
goes back to You  
Yeah, it all goes back to You  
And it all goes back to You  
Your face shines on me, shines on me  
Everything just fades away  
Shining through my darkest days  
Life and times are in Your hands The canvas for Your dreams  
Paint Your brushstrokes on this heart  
Reveal Your masterpiece  
Though I cannot see it all  
Lord Your name is whom I'll call  
As You're drawing me near... to You  
And it all goes back to You  
Yeah, it all goes back to You  
And it all goes back to You  
Your face shines on me, shines on me  
Everything just fades away  
Shining through my darkest days  
Your face shines on me, shines on me  
Everything just fades away  
Shining through my darkest days  
If I climbed to the sky  
You were there, You were there Kneeling down in valleys low  
You were there, You were there  
If I flew on morning's wings  
In the distance there I'd see  
You were reaching  
You were reaching out to me Your face shines on me, shines on me  
Everything just fades away  
Your face shines on me, shines on me  
Everything just fades away  
Shining through my darkest days  
Your face shines on me, shines on me  
Everything just fades away  
Shining through my darkest days
