# The Spell

## Lunatica

Listen to me and you'll meet your fate
My voice is so sweet, it won't let you escapeCan't stop now, it's kicking my brain
Can't stop now, I'm loosing my brainOpen your mind, let me guide you, my dear
Once in these arms, you'll be free from your fearsCan't stop now, it's kicking my brain
Can't stop now, I'm loosing my brainIn every dream, I will appear
I sow the seed in your heart
So here I am, naked and free
A sirens fate is to be falling from graceI'm all alone, I need you by my side
Since my eyes have caught you it's too late to hideCan't stop now, it's kicking my brain
Can't stop now, I'm loosing my brainIn every dream, I will appear
I sow the seed in your heart
So here I am, naked and free
A sirens fate is to be falling from graceThousands I saw pass, not able to resist my call, desire hurts
Will and lust combined to poetry, one day a story will tell the truthIn every dream, I will appear
I sow the seed in your heart
So here I am, naked and free
A sirens fate is to be falling from grace
