Hit the Lights

Black Tide

No life till leather
We're gonna kick some ass tonight!

We got the mental madness
When our fans start screaming it's right!
Well alright yeah!
When we start to rock we never
Stop again!

Hit the lights!
Hit the lights!
Hit the lights!
[Guitar Solo]

You know our fans are insane
We are gonna blow this place away

With volume higher
Than anything today
The only way Yeah!
When we start to rock we never
Want to stop again!

Hit the lights!
Hit the lights!
Hit the lights!
[Guitar Solo]

With all our screaming
We're gonna rip right through your brain

We got the lethal power
It's causing you sweet pain
Oh sweet pain Yeah!
When we start to rock we never
Want to stop again!

Hit the lights!
Hit the lights!
Hit the lights!

[Guitar Solo]
