

Everything Is Ending Here

Flunk

Everything is ending here
After all I have no more to say
And everything is ending here
And after all I have no more to say I am sick and tired of words
I've been using them for all these years
Every word I try to say
Seem to end in tears I am sick and tired of words
I've been using them for all these years
Every word I try to say
Seem to end in tears
Seem to end in tears
Seem to end in tears Everything is ending here
After all I have no more to say
Everything is ending here
After all I have no more to say
