

Ei Nei

Lena Machado

Aloha wau Ia oe,
E kuu aloha ei nei
there'll be no one in your place
Ei nei

as evening shadows falls
I hear your sweet melody
that brings me fond memories
of you

I'd be so lost without you
everything seems so blue
my heart keeps saying its you dear
Its you its you just my darling

e kuu aloha ei nei
youre mine just mine alone
there'll be no one in your place
Ei Nei
