

# Marianne

## Mental As Anything

Do you remember Marianne and Mick?  
A thousand flights they had together  
Everything was different then  
And nothing lasts forever

Sixty six to sixty nine  
It ends in tears as years go by  
All of our love to you  
My dear, Marianne

Marianne, you're somewhere out there  
West of Dublin in a cottage of shells  
Wrote a book, still making records  
How it is and was is what you tell?

You have been through the mill  
But you're still beautiful  
All of our love to you  
My dear, Marianne

Marianne, on the wall, on the losing end  
Tell them all you've gone away  
Still through it all you came back again  
Back again, Marianne

You have been through the mill  
But you're still beautiful  
All of our love to you  
My dear, Marianne

All of my love to you  
My dear
