

# Erase-Replace

## Foo Fighters

Attention.

Pay attention!

No mention; The sickest array

Omission; An admission

Ignition; Detonate.Oh no, don't talk about it

No, please don't talk about it

Oh no, don't talk about it

Not one more word about it!

Oh no, don't think about it

No, please don't think about it

Oh please, don't think about it

It goes away.

Who made these promises?

You made these promises.

Erase/Replace

Erase/Replace

We'll make more promises,

We'll wait for promises.

Erase/Replace

Erase/Replace

A vision; Division

Revision; Regulate

Inaction; A reaction

Distraction; Question of fateOh no, don't talk about it

No, please don't talk about it

Oh no, don't talk about it

It goes away...

Who made these promises?

You made these promises.

Erase/Replace

Erase/Replace

We'll make more promises,

We'll wait for promises.

Erase/Replace

Erase/Replace

Oh, are we better off now?

Something left said

Meant for you

Oh, are we better off now?

Something left said  
Meant for youWho'll make these promises?  
You'll make these promises.
