## Rihanna

Gyeah, Rihanna  
Good Girl Gone Bad  
Take three, action No clouds in my storms  
Let it rain, I hydroplane into fame  
Comin' down like the Dow Jones  
When the clouds come, we gone We Roc-A-Fellas  
We fly higher than weather  
And she flies it better You know me, in anticipation for precipitation  
Stack chips for the rainy day  
Jay, Rain Man is back with Little Miss Sunshine  
Rihanna, where you at? You had my heart, and we'll never be worlds apart  
Maybe in magazines, but you'll still be my star  
Baby 'cause in the dark, you can't see shiny cars  
And that's when you need me there  
With you, I'll always share Because when the sun shines, we'll shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out to the end Now that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella (Ella ella, eh eh eh)  
Under my umbrella  
(Ella ella, eh eh eh)  
Under my umbrella  
(Ella ella, eh eh eh)  
Under my umbrella  
(Ella ella, eh eh eh eh, eh eh) These fancy things will never come in between  
You're part of my entity, here for infinity  
When the war has took its part  
When the world has dealt its cards  
If the hand is hard, together we'll mend your heart Because when the sun shines, we'll shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out to the end Now that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella (Ella ella, eh eh eh)  
Under my umbrella  
(Ella ella, eh eh eh)

Under my umbrella  
(Ella ella, eh eh eh)  
Under my umbrella  
(Ella ella, eh eh eh eh,eh eh)You can run into my arms  
It's okay, don't be alarmed, come in to me  
There's no distance in between our love  
So go on and let the rain pour  
I'll be all you need and moreBecause when the sun shines, we'll shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out to the endNow that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella(Ella ella, eh eh eh)  
Under my umbrella  
(Ella ella, eh eh eh)  
Under my umbrella  
(Ella ella, eh eh eh)  
Under my umbrella  
(Ella ella, eh eh eh eh,eh eh)It's raining, raining  
Ooh baby, it's raining, raining  
Baby, come in to me  
Come in to meIt's raining, raining  
Ooh baby, it's raining, raining  
You can always come here to me  
Come in to meIt's pouring rain, it's pouring rain  
Come in to me, come in to me  
It's pouring rain, it's pouring rain  
Come in to me, come in to me
