Catch & Release (Deepend Remix)

Matt Simons

There's a place I go to
Where no one knows me
It's not lonely
It's a necessary thingIt's a place I made up
Find out what I'm made of
The nights I've stayed up
Counting stars and fighting sleepLet it wash over me
I'm ready to lose my feet
Take me off to the place where one reveals life's mystery
Steady on down the line
Lose every sense of time
Take it all in and wake up that small part of me
Day to day I'm blind to see
And find how far to goEverybody got their reason
Everybody got their way
We're just catching and releasing
What builds up throughout the day
It gets into your body
And it flows right through your blood
We can tell each other secrets
And remember how to loveDa da dum da dum dum dum
Da dum dum dum
Da dum dum
Da da dum da dum dum dum
Da dum dum dum
Da dum dumThere's a place I'm going
No one knows me
If I breathe real slowly
I let it out and let it inIt can be terrifying
To be slowly dying
Also, clarifying
We end where we beginSo let it wash over me
I'm ready to lose my feet
Take me off to the place where one reveals life's mystery
Steady on down the line
Lose every sense of time
Take it all in and wake up that small part of me
Day to day I'm blind to see
And find how far to goEverybody got their reason

Everybody got their way
We're just catching and releasing
What builds up throughout the day
It gets into your body
It flows right through your blood
We can tell each other secrets
And remember how to loveDa da dum da dum dum dum
Da dum dum dum
Da dum dum
Da da dum da dum dum dum
Da dum dum dum
Da dum dumEverybody got their reason
Everybody got their way
We're just catching and releasing
What builds up throughout the day
And it gets into your body
And it flows right through your blood
We can tell each other secrets
And remember how to love
