

# Falling

Mike Posner

Well, alright, oh, oh, Lord  
Well, alright, oh, oh, Lord  
Well, alright, oh, Lord  
Well, alright  
Drive your high heel into my heart  
I don't even care  
'Cause my pride is worth much more than your  
Your stupid little love  
Every word that you say keeps on  
Bouncing around in my head  
When all my delusions of grander  
Have turned into bad jokes instead  
You'll be there pointing and laughing  
To prove you were wiser than I  
Well, I'm just pretending perfection  
I'm flying uncomfortably high  
It feels like I'm falling  
It feels like I'm falling  
It feels like I'm all in  
It feels like I'm falling  
Drive your high heel into my heart  
'Cause I don't even care  
My pride is worth much more than your  
Your stupid, your stupid little love  
Every word that you say keeps on  
Bouncing around in my head  
When all my delusions of grander  
Have turned into bad jokes instead  
You'll be there pointing and laughing  
To prove you were wiser than I  
Well, I'm just pretending perfection  
I'm flying uncomfortably high  
It feels like I'm falling  
It feels like I'm falling  
It feels like I'm all in  
It feels like I'm falling  
It feels like I'm falling  
It feels like I'm falling  
It feels like I'm all in

It feels like I'm falling  
Well, alright, oh, Lord  
Well, alright, oh, Lord, oh, Lord
