

Wild Is the Wind

David Bowie

Love me, love me, love me, love me
Say you do
Let me fly away
With you
For my love is like
The wind
And wild is the wind
Wild is the wind Give me more
Than one caress
Satisfy this
Hungriness
Let the wind
Blow through your heart
For wild is the wind
Wild is the wind You
Touch me
I hear the sound
Of mandolins
You
Kiss me
With your kiss
My life begins
You're spring to me
All things
To me
