Coldplay

Trying hard to speak and fighting with my weak hand
Driven to distraction, so part of the plan
When something is broken and you try to fix it
Trying to repair it, any way, you can I, dive in at the deep end, she become my best friend
I wanna love you but I don't know if I can
I know something is broken and I'm trying to fix it
Trying to repair it, any way, I can You and me are floating on a tidal wave
Together
You and me are drifting into outer space
And singing You and me are floating on a tidal wave
Together
You and me are drifting into outer space You and me are floating on a tidal wave
Together
You and me are drifting into outer space
And singing
