I'm Gonna Freak Ya

Monrose

Freak
Freak ya
Freak
You got your eye on me
Scanning me
All over
Go flip your switch to heat
Isn't too late
Show you what I can do
Before you play with me (one time)
You know that I'm queen bee (queen bee)
I'm down for you so make them sure
Be careful of what you're wishing for
I'm gonna please ya
Let you get in deep, yea
I'm gonna freak ya, ya, ya
I'm gonna please ya
Let you get in deep, yea
I'm gonna freak ya, ya, ya
I got the love
I don't want to waste it
I got the love
I want you to taste it
I'm gonna please ya
Let you get in deep, yea
I'm gonna freak ya, ya
I'm gonna freak ya
I keep it on the low
Nice and slow
So tasty
I'll let you take control
If that's your goal
Do what you gotta do
Before you play with me (one time)
You know that I'm queen bee (queen bee)
I'm down for you so make them sure
Be careful of what you're wishing for
I'm gonna please ya
Let you get in deep, yea

I'm gonna freak ya, ya, ya
I'm gonna please ya
Let you get in deep, yea
I'm gonna freak ya, ya, ya
I got the love
I don't want to waste it
I got the love
I want you to taste it
I'm gonna please ya
Let you get in deep, yea
I'm gonna freak ya, ya
I'm gonna freak ya

What you gonna do with it?
What you gonna do with me?
What you gonna do with it?
I know what I'm gonna do to you
What you gonna do with it?
Let me freak ya
What you gonna do with it?
Say what you gonna do?
I got the love
I don't want to waste it
I got the love
I want you to taste it
I got the love
I don't want to waste it
I got the love
I want you to taste it
I'm gonna please ya
Let you get in deep, yea
I'm gonna freak ya, ya, ya
I'm gonna please ya
Let you get in deep, yea
I'm gonna freak ya, ya, ya
I got the love
I don't want to waste it
I got the love
I want you to taste it
I'm gonna please ya
Let you get in deep, yea
I'm gonna freak ya, ya
I'm gonna freak ya
What you gonna do with it?
What you gonna do with it?

Can you feel me?
What you gonna do?
What you gonna do, do, do yeah
No, no, no, no, no, no
I'm gonna freak y
Oh yeah
I'm gonna please ya
Let you get in deep, yea
I'm gonna freak ya, ya, ya
I'm gonna please ya
Let you get in deep, yea
I'm gonna freak ya, ya, ya
I got the love
I don't want to waste it
I got the love
I want you to taste it
I'm gonna please ya
Let you get in deep, yea
I'm gonna freak ya, ya
I'm gonna freak ya
