Who Can I Run To (Goldenchyld Flip)

Xscape

As I stand here contemplating,
On the right thing to decide.
Will I take the wrong direction,
All my life, where will I go,
What lies ahead of me?I have strong determination,
And I'm not afraid of change.
I have yet to find that someone,
Who would care to satisfy me,
To stay right by me.Who can I run to,
To share this empty space?
Who can I run to,
When I need love?
Who can I run to,
To fill this empty space with laughter?
Who can I run to,
When I need love?And my mind is so confusing,
Who would be that special one?
Everyday I'm trying to find you,
All along, I've got to know,
Is there a place for me?I know love has many names,
And a message very clear.
All it takes is time and patience,
To bring you near,
But look at me, tell meWho can I run to,
To share this empty space?
Who can I run to,
When I need love?
Who can I run to,
To fill this empty space with laughter?
Who can I run to,
When I need love?
