

# Afraid to Shoot Strangers

## Iron Maiden

Lying awake at night  
I wipe the sweat from my brow  
But it's not the fear  
'Cos I'd rather go now  
Trying to visualize  
The horrors that will lay ahead  
The desert sand mound  
A burial ground  
When it comes to the time  
Are we partners in crime?  
When it comes to the time  
We'll be ready to die  
God let us go now and finish what's  
To be done  
Thy kingdom come  
Thy shall be done on earth  
Trying to justify to ourselves  
The reasons to go  
Should we live and let live  
Forget or forgive  
But how can we let them go on this way?  
The reign of terror corruption must end  
And we know deep down there's no other way  
No trust, no reasoning, no more to say  
Afraid to shoot strangers  
Afraid to shoot strangers  
Afraid to shoot strangers  
Afraid  
Afraid to shoot strangers  
Afraid  
Afraid to shoot strangers  
Afraid  
Afraid to shoot strangers  
Afraid  
Afraid to shoot strangers  
Afraid  
Afraid to shoot strangers  
Afraid  
Afraid to shoot strangers  
Afraid  
Afraid to shoot strangers  
Afraid to shoot strangers  
Afraid to shoot strangers  
Afraid to shoot strangers
