

# Vultures (ft. Anuka) (JPB Remix)

## Froogle

First there's hot, Then there's cold  
First there's right, Then there's wrong

Oohoo, Oohoo  
Scavenger in the skies  
Oohoo, Oohoo  
Messin with my mind aahaaa

Vultures, So diluted  
I can't buy your foolish games  
Vultures, My heart aint the same

Coz you stole the beat from my chest  
Baby I aint having that  
Vultures, So diluted  
I cant buy your foolish games

I cant buy your foolish games

Yesterdays yes, Tomorrows no  
Tell me what's to tell you baby  
Soon as your back, You plan to go  
Cut me oh, some slack baby

Oohoo, Oohoo  
Scavenger in the skies  
Oohoo, Oohoo  
Messin with my mind aahaaa

Vultures, So diluted  
I can't buy your foolish games  
Vultures, My heart aint the same

Coz you stole the beat from my chest  
Baby I aint having that  
Vultures, So diluted  
I can't buy your foolish games

I can't buy your foolish games

(My heart aint the same)
