

Hate Trader

Zeni Geva

No way to choose pain or desire
You're [misspelled as "Your're" in CD liner notes] a slave of hate
No way to escape
Repeating brainwashes and holocausts endlessly
Hate trader is in yourself !!No way to choose obedience or despair
You're [misspelled as "Your're" in CD liner notes] an animal of hate
No way to survive
Repeating evil genes again and again
Hate trader is in yourself !!
