

# Yours Is an Empty Hope (Instrumental)

## Nightwish

Hack me into bits and join the sea  
Of screen name verbal vanity  
Churning the words imbued in filth  
Your tongue oily water under my bridge You have the world, it's all for you  
I wish you'd find the lost in you  
Grateful for the pain, it proves we're alive  
Can you feel it? I can't make you want the truth  
It's up to you Yours is an empty hope  
Yours is an empty hope Feed me to pigs in your fantasies  
Your sear roars bitter elegies  
Like narcissists who bribes the pool  
A hollow voice, ruin with a roof Stop! Your life is now, still all for you.  
Turn from the hate, turn from the smoke.  
I see the parchment of your soul,  
The notes, The Song  
Join Your Voice I can let you have the world, all for you. Yours is an empty hope  
Yours is an empty hope [Instrumental] YOURS! IS! AN!... EMPTY HOPE!  
YOURS! IS! AN!... JOIN IN NOW! I can let you have the world, all for you. Yours is an empty hope  
Yours is an empty hope  
Yours is an empty hope  
Yours is an empty hope
