

Doin'

John Reuben

Yeh people been like yo Ruben. where ya been?
Where ya been the last couple of years?
I'm like hey man I ain't gone no where
I've just been marinatin n sarinating n hurkulatin in the lab
So they're like hey yo man u know wheres hip hop going?
N I'm like I dunno but I'm here to take the game back
The game is officially mine its officially mine
Hold on now everybody sing along Reuben what is he dipidy doin'
(C'mon ladies sing it)
Reuben what is he dipidy doin' This ego was quick to say
That he was better than me better be correct
Before you step and try to sever my integrity please
You M.C.'s need to quit it
I mean do you really think that you're the only ones who did it
Haha and what is it we don't get huh?
Maybe that empty book bag that you sport as a gimmick
To the timberland boots that have never been scuffed
All the while you're still hollering rugged and rough
I call your bluff you're just like the rest of them
The only difference
Is you follow a less popular trend, friend
Tell me how are you going to dog the mainstream
Then turn around in the underground and do the exact same thing
That you're dissing
You get what I'm putting down
I say a gimmick can be found above as well as underground
And since what's real can't be defined by culture or man
I'm curious as to what makes you think that you can Sing along
Reuben what is he dipidy doin'
Reuben what is he dipidy doin'
(N' all the fellas sing)
Reuben what is he dipidy doin'
(N' all the lady's sing)
Reuben what is he dipidy doin' Ideas start occurring and words start stirring
Never would I suggest this to be the best
It's just, I like putting words on mics
It's something I like to do something I find nice
Don't need to dominate or inflate my confidence
Got no problem giving M.C.'s complements

But some get mad at me
Like they want to battle me
Upset because I made their hip hop happy
Actually I think you tough guys are corny
And my LP comes with a full proof warranty
If you buy it and don't like it feel free not to listen
I'm not sure about a refund but you're welcome to diss it
'Cause I don't will not and won't ask you to
React to the beat
If you're not feeling it, but perhaps
Maybe you are in that case it goes
One for the treble two for the base
Arrogance mixed with ignorance will and can
Bring forth a man
That don't really understand
But claims he does
And you know what that's not good(N' all the fellas say)
Reuben what is he dipidy doin'
(Hey hey ladies)
Reuben what is he dipidy doin'
(N' all the fellas sing)
Reuben what is he dippidy doin'
(Now hey lady's sing)
Reuben what is he dippidy doin'Ya'll got to be kidding
Man, some of ya'll treat art like it was some sort of religion
Following the rules one two and on through
To the point you don't create art
Art created you
Ya'll got to be kidding
Some of ya'll treat hip hop
Like it was some sort of religion
Following the rules
One two and on through
To the point you don't create hip hop
Hip hop created youReuben what is he dipidy doin'
