

Wonderful God

Paul Baloche

Amazed and overwhelmed
At how Your mercy fell
And changed a heart as hard as mineI tried to turn away
Deny the hand You gave
But You refused to leave my sideWonderful God
Wonderful God
Wonderful Savior
Wonderful loveWho could compare?
None can be found
Wonderful Savior
Wonderful GodUndeserving grace
Stole my heart away
Forever I am Yours, my KingThe beauty of Your strength
Draws me once again
To stand before You now and singYou said You'd never leave me
And You never did
You say I have a future
And there's a life for me to liveLord I wanna praise You
And say wonderful God
Wonderful GodWonderful Savior
Wonderful God
