Clueless

Teen Idols

Give it a chance and maybe it'll turn out better
Than it's supposed to
Broken romance shouldn't leave you sayin' never
'Cause you'll never have a clueI've seen it before
You're lockin' the door
'Cause you're scared
Of what's waitin' out thereJust take my word, you're being absurd
Will you go if I double dare
You can't make me think
You don't careGive it a chance and maybe it'll turn out better
Than it's supposed to
Broken romance shouldn't leave you sayin' never
'Cause you'll never have a clueI know a girl who's scared of the world
But she won't say why she don't like it
I've said all along, there's nothing wrong
But she won't listen a bitYou two would make a perfect fit
Oh yeah, 'cause you both deserve itGive it a chance and maybe it'll turn out better
Than it's supposed to
Broken romance shouldn't leave you sayin' never
'Cause you'll never have a clueGive it a chance and maybe it'll turn out better
Than it's supposed to
Broken romance shouldn't leave you sayin' never
'Cause you'll never have a clueGive it a chance and maybe it'll turn out better
Than it's supposed to
Broken romance shouldn't leave you sayin' never
'Cause you'll never have a clueGive it a chance and maybe it'll turn out better
Than it's supposed to
Broken romance shouldn't leave you sayin' never
