

# Angel

## Sarah Brightman

I am your shadow  
I am your rain  
I am your lonely, a little of your pain I am red  
I am blue  
I am your angel  
I am in you Angel (3x) I am your madness  
I am your tears  
I am your sadness and I am your fears I am restless  
I am your dream  
I am the romance in between Angel (repeats through the remaining of the song)
