All In My Mind

Full Force

It was all in my mind
Oh now you wanna come back2 months ago you left me for another man
It was so unexpected you never showed your hand
And now you wanna come back
You wanna come back home
After all those lonely days
I was all aloneIt was all in my mind
(It was all in my mind)
It was all in my mind
(I thought you loved me, but I was blind)
It was all in my mind
(I've been suffering for a long time)
(How could you do this to me)
You thought the grass was greener on the other side
You found out it was blue rain now you cry(now you cry)
You packed your bags and you left
You want to come back home
And now your wells gone dry
You want to come back to me for moreIt was all in my mind
It was all in my mind
It was all in my mind
I thought you loved me(ooh ooh ooh)
But I was blind so blind
It was all in my mind
I've been suffering for such a long long time
How can you do this to meNow that you have seen
Now that you have opened up you eyes
The love you left in me
The love you left in me-e
My mind and body was lost
But now its found
My life I turned my life aroundSo, things did not work out between you & that other guy
Now you wanna come back into my life
Even though on some nights you
Said I wasn't even good enough for you
Girl you must be buggingOH don't you remember you left me by myself
But right now right this minute I got someone else
She helps to ease my pain(She helps)
Since ya let me go down the drain

Because of her I changed
My new woman she even makes love better than you
Don't you know you are(OOH OOH)All in my mind(ooh ooh)it was all in mind
I remember the time she used to say
I'm gonna love you I'm gonna leave you
All in my mind
I thought you loved me it was all in my mind
But now you just think you could come back to me
And get busy one more time ooh whoa
All in my mind
This ain't no break up and just make-up no baby
It takes a fool to learn yes it does
And lord have mercy on me oh
No way-aaaaay this ain't no
Temporary love thangYou were never meant for me
