

# Especially for You

## The Smithereens

I've been running round in circles  
Trying to find my way back to you  
It's been so long since I felt this way  
That I forgot what I'm supposed to do You won't break my heart  
No matter what you do  
My love is especially for you I've been trying to build a bridge  
To get to you for so many years  
Now, it looks like it will have to be a dam  
Instead to hold back the tears You won't make me cry  
My heart won't break in two  
My love is especially for you It's the same every night  
When I turn off the light  
And I'm hugging my pillow  
Instead of you In the morning I rise  
And I tell myself lies  
And pretend that I'm happy  
In spite of you It's the same every night  
When I turn off the light  
And I'm hugging my pillow  
Instead of you In the morning I rise  
And I tell myself lies  
And pretend that I'm happy  
In spite of you I've been running round in circles  
Trying to find my way back to you  
It's been so long since I felt this way  
That I forgot what I'm supposed to do You won't break my heart  
No matter what you do  
My love is especially for you My love is especially for you  
My love is especially for you  
Ah, ah, ah
