Drinking Problem (Speculator Remix)

Surfer Blood

Yeah, you think you've got bugs
You think you've got a problem
Baby, you ain't think enough (?)
At least I know who my
At least I know who my friends are
At least I know who my
At least I know who my
At least I know who my
At least I know who myAt least I know who my
At least I know who my
At least I know who my
At least I know who myYeah man you think that you've got bugs
? longitude
? longitude
You've already done too much
You've already done too much
At least I know who my
At least I know who myEven with your resolutions
Hypocrisy is digging in
You don't need a point of reference
You just need to be afraid
Even though I can't believe you
It's not like I don't want toAnyone can make excuses
At least I know who my
Anyone can make excuses
At least I know who myCome on in if you think you've got bugs
Come on in if you think you've got bugs
Come on in if you think you've got bugsCome on in if you think you've got bugs
Come on in if you think you've got bugs
Come on in if you think you've got bugsAt least I know who my
At least I know who my friends are
