

Ice Cream Everyday

Camper Van Beethoven

The lights went out
In the abandoned house
Your house
After you left
Waved goodbye
Sat on a crate
Thought when I spoke
And thought when you're goneIt's just like every day
Do-do-do-do
Ice creamRide my bike
I turn the corner
And go home
Walk on the groundBlink my eyes
Breath the air
And drink water
Just like every dayIt's just like every day
Do-do-do-do
Ice creamI'll never forget
That day when I washed
My face
In the sinkAnd I went to the store
And I bought some bolts
And I bought some napkins
And I went back home and washed my faceIt's just like every day
Do-do-do-do
Ice cream
