

Light from a Dead Star

Kite

He lives his life in a world full of women
And he takes what he wants
From their love
And he throws the rest away I cling to him and pray
But still he slips away
And now it's just too late
To wish him back again She won't put up with this life
So she leaves him
And she finds someone else
Falls in love and she travels far away I say that it's okay
And swallow all my pain
And now it's just too late
To wish her back again They left me here on my own
In a nightmare
And I just can't forgive anymore
So I smile and turn away Don't listen when they say
They wish that I could stay
And now it's just too late
To wish me back again
