

# Knock On Any Door

## Beat Happening

Knock on any door  
Are they as lonesome as me  
Knock on any door  
How can they be They don't have you  
to not be there  
when I call out Knock on any door  
Knock on any door  
Knock on any door  
Knock on any door  
Your wish is my command  
Breaks the spell on my brown  
Lift your treasured hand  
I'd be so proud  
To share with you this night's remains  
The rise and fall Knock on any door  
Knock on any door  
Knock on any door  
Knock on any door  
Door Grant me one last wish  
Strike a match and set me free  
Grant me this last kiss  
Oh can't you see I'll be long gone from distant bonds  
The flame is out  
Knock on any door  
Knock on any door  
Knock on any door  
Knock on any door Knock on any door  
Are they as lonely as me  
Knock on any door  
How can they be They don't have you  
to not be there  
When I call out  
Knock on any door Knock on any door  
Knock on any door  
Knock on any door  
Knock on any door Knock on any door  
Knock on any door  
Knock on any door  
Knock on any door
