

# Rings of Saturn

## TOPS

Thought I was falling on good times  
Don't waste time looking up at the sky  
When I look at the moon  
I can see that she's watching me with her eyes, too  
Sunset memories clouded by time  
Turning over and over my mind  
When I dream about you,  
I can see if he's wide awake with my eyes, too  
Nothing in the ground, nothing in the sky  
No one left to say goodbye  
The rings of Saturn  
Don't you think that love is magic?  
Love shouldn't happen  
Love is just an evil battle  
Nothing in the sun, nothing in the run  
No one left to say goodbye  
Nothing in the ground, nothing in the sky  
No one left to say goodbye  
The rings of Saturn  
The rings of Saturn  
Don't you think that love is magic?  
Love shouldn't happen  
Love is just an evil battle  
Nothing in the sun, nothing in the run  
No one left to say goodbye  
No one left to say goodbye
