

Just a Pimp

Angie Stone

Oh, dirty low down Sammy Chive
lucious was his name
Played a very dirty, dirty game
He took the innocence from young girls
Showed them how they could sell their pearls away, ah
He's a pimp
He's a pimp
Just a pimp
If you ain't pimpin' for the dollar
Pimpin' for the love, you ain't gettin' at home
He's a pimp
He's a pimp
He's a pimp
If you ain't pimpin' for the dollar
Pimpin' for the love, you ain't gettin' at home
Tina had a man who told her she was a Queen
Gave her all the love, she would ever need
She had to find herself in a little fling
One man's not enough, but Tina mean
She still had those play, hater ways
Tina had to have a piece of hurricane
Tina thought she had her life in hand
Now her life is filled with other women and men
Go on, Tina girl
She's a pimp
He's a pimp
She's a pimp
He's a pimp
She's a pimp
He's a pimp
Just a pimp
He's a pimp
If you ain't pimpin' for the dollar
Pimpin' for the love, you ain't gettin' at home
He's a pimp
He's a pimp
He's a pimp
If you ain't pimpin' for the dollar
Pimpin' for the love, you ain't gettin' at home
He's a pimp
He's a pimp
He's a pimp
If you ain't pimpin' for the dollar

Pimpin' for the love, you ain't gettin' at homeHe's a pimp
He's a pimp
He's a pimp
He's a pimp
If you ain't pimpin' for the dollar
Pimpin' for the love, you ain't gettin' at homeHe's a pimp
He's a pimp
He's a pimp
He's a pimp
If you ain't pimpin' for the dollar
Pimpin' for the love, you ain't gettin' at homeHe's a pimp
Just a pimp ah
