

# Smile

## Keegan Smith

Ain't nothin' better than watchin' you smile, woah woah  
Ain't nothin' better than watchin' you laugh, out loud, my baby  
Ain't nothin' better than watchin' you, me, you  
Ain't nothin' better than right now (right now)

In your eyes lie the secrets I don't wanna miss  
Put your hand in my hand and make a fist  
Grab my shirt, curl your lip as if you know  
staring back in my eyes saying, "please don't go"

I don't know, I don't know, I don't know, I don't know what it is  
That you really really want or you need  
Hate every moment away from you, see you sleepin' in my dreams

I know you're in your mothers arms  
I know that you're safe from harm  
You know I'm coming home real soon  
And I'm bringing all my love for you

Ain't nothin' better than watchin' you smile, woah woah  
Ain't nothin' better than watchin' you laugh, out loud, my baby  
Ain't nothin' better than watchin' you, me, you  
Ain't nothin' better than right now (right now)

And I can't take away the pain if I don't know you're hurting again  
I can't leave you on your own, if I know you're crying all alone  
And my hearts pumping black and blues, that's how I feel when I'm not with you  
A million years pass every day, losing the time I'm always on my way

I don't know, I don't know, I don't know, I don't know what to do  
I hope you understand when I'm gone  
I'll always come back home for you  
Open your eyes to a brand new dawn

Ain't nothin' better than watchin' you smile, woah woah  
Ain't nothin' better than watchin' you laugh, out loud, my baby  
Ain't nothin' better than watchin' you, me, you  
Ain't nothin' better than right now (right now)

Let us have this moment of truth

Let us have this moment, our youth

Let us have this moment of truth  
Let us have this moment, our youth

Cause all my time goes so fast,  
Hope my life slows so this can last

Cause all my time goes so fast,  
Hope my life slows so this can last

Ain't nothin' better than watchin' you smile, woah woah  
Ain't nothin' better than watchin' you laugh, out loud, my baby  
Ain't nothin' better than watchin' you, me, you  
Ain't nothin' better than right now (right now)

Ain't nothin' better than watchin' you smile, woah woah  
Ain't nothin' better than watchin' you laugh, out loud, my baby  
Ain't nothin' better than watchin' you, me, you  
Ain't nothin' better than right now (right now)
