Miss Misery

Nazareth

Since you came into my life

It's the same old situation

Empty days and lonely nights

Filled with bitterness and frustrationWalking lonely in the cold

Tryin' to find the answer

Spend my money on a crystal ball

And the charms of a gypsy dancer

Tryin' to break the spell you hold on meYou're Miss Misery

That song you lay on me

Set me free, set me free

Please, please, pleaseEveryday is filled with shame

My nights are filled with anger

Hollow lies, forced denial

If you told the truth I can't remember You know I've got to find my way

Got to find a reason

Got to find your weakness

So I can end your witchin' season

Got to break the spell you hold on meYou're Miss Misery

That song you lay on me

Set me free, set me free

Please, please, pleaseCan't think how I got myself

Caught up in this nightmare

Evil schemes, midnight screams

Come on somebody listen to my prayerI'd give all I've got to give

Just to find my way out

Got it going but I can't let go

I'm trapped on this crazy 'round about

Tryin' to break the spell you hold on meYou're Miss Misery

That song you lay on me

Set me free, set me free

Please, please, please
