# Green Light

## Keri Hilson

[Verse 1]Boy tonight I got plans
And I'll be making demands
Better call up you'r friends
'Cause you coming with me
Soon as we hit the door
Boy you already know
How tonight's bout to go
And what it's bout to be
Hit me back cause I'm anticipating your call
Whooaaa
Come see about me

[Chorus]Boy don't even think twice
Tonight you got the green light
Do it if it feels right
Do it if it feels right
We both know what we like
We don't have to waste time
Do it if it feels right
Tonight you got the green light
[Verse 2]Boy im glad that your here
'Cause I got some ideas
That I been dying to do
I wanna try 'em on you
Do whatever you want
We got nothing to lose
Tonight I'm gonna be good to you
I got the candles lit up for you turn the lights down
Oh Yeah
Come see about me
[Chorus]Boy don't even think twice
Tonight you got the green light

Do it if it feels right
Do it if it feels right
We both know what we like
We don't have to waste time
Do it if it feels right
Tonight you got the green light

[Bridge]C'mon lets go
What you wait'n for?
Let's go let's go, boy
'Cause tonight you got the green light
C'mon let's go
What you wait'n for?
C'mon let's go, boy
'Cause tonight you got the green light
[Chorus]Boy don't even think twice
Tonight you got the green light
Do it if it feels right
Do it if it feels right
We both know what we like
We won't waste time
Do it if it feels right
Tonight you got the green light
[Bridge]C'mon let's go
What you wait'n for?
Lets go lets go, boy
Tonight you got the green light
C'mon lets go
What you wait'n for?
C'mon lets go, boy
'Cause tonight you got the green light
(Talks)
Im givin you the green light
