Worried Life Blues

Bob Margolin

I don't care, alone you go
I don't care, alone you stay
But good kind of treatment
I'm bringing you home someday

Well, someday, baby
You ain't gonna worry my life anymore

Now you keep on bendin'
If the dice don't pay
Can't you see, little girl
You're living too fast?

But someday, baby
You ain't gonna worry my life anymore

Are you tellin' everybody
In the neighborhood
'Cause you don't love me, baby
You didn't mean me no good

Yes, but someday, baby
You ain't gonna worry my life anymore
Alright!
