

It's a Wonderful World

Frank Sinatra

It's a wonderful world I'm just walking on air
Talk of heaven on earth
I've got more than my share
Haven't got a care
Happy all day through
It's a wonderful world
Loving wonderful you It's a wonderful world
I'm just walking on air
It's a wonderful world
I'm just walking on air
It's a wonderful world
I've got more than my share
Haven't got a care
Happy all day through
It's a wonderful world
Loving wonderful you
It's a wonderful world
Loving wonderful you
It's a ring a ding world
Loving wonderful you
fade
