Lie To Me

Milo Greene

Can't hide the truth
You're too young
I made a strong oath, nobody knows
Afraid but I had made the choice
Our lives inside we entwine
Laid up a bent rule
Not capable to stop myself
And trouble your heart soul out of control
And you want what I'll never be
Can't you just lie to me? Just lie to me
What you want is beyond my reach
And I'm sorry, could you just lie for me?
Two times, two times I won't try
You were a false hope
You were comfortable
Time now means to fill the void
My mind is starting to lose our time
It's not your fault, I wasn't your want
Who will it take for you
To slow your heart soul out of control
And you want what I'll never be
Can't you just lie to me? Just lie to me
What you want is beyond my reach
And I'm sorry, could you just lie for me?
Don't say it, don't say it. Don't say it, don't say it.
Don't say it, don't say it. Can't you just lie to me?
Don't say it, don't say it (x2)
Don't say it, don't say it (I won't try).
Don't say it, don't say it. Can't you just lie to me? Soul out of control.
And you want what I'll never be
Can't you just lie to me? Just lie to me?
What you want is beyond my reach
And I'm sorry, could you just lie for me?
