# Suffering

## Carnifex

feel like I've been locked up tight
For a century of lonely nights
Waiting for someone to release me
You're lickin' your lips
And blowing kisses my way
But that don't mean I'm gonna give it away
Baby, baby, baby (Baby baby baby)Ooh, my body's sayin' let's go
Ooh, but my heart is sayin' noIf you wanna be with me
Baby there's a price to pay
I'm a genie in a bottle
You gotta rub me the right way
If you wanna be with me
I can make your wish come true
You gotta make a big impression (Oh yeah)
Gotta like what you do(I'm a genie in a bottle baby
Gotta rub me the right way honey
I'm a genie in a bottle baby
Come come, come on and let me out)The music's fading and the lights down low
Just one more dance and then we're good to go
Waiting for someone
Who needs me
Hormones racing at the speed of light
But that don't mean it's gotta be tonight
Baby, baby, baby (Baby baby baby)Ooh, my body's sayin' let's go
Ooh, but my heart is sayin' no (but my heart is sayin' no)
If you wanna be with me
Baby there's a price to pay
I'm a genie in a bottle (I'm a genie in a bottle)
You gotta rub me the right wayIf you wanna be with me (Oh)
I can make your wish come true (Your wish come true oh)
Just come and set me free baby
And I'll be with you(I'm a genie in a bottle baby
Gotta rub me the right way honey
I'm a genie in a bottle baby
Come come, come on and let me out)I'm a genie in a bottle baby
Gotta rub me the right way honey
(If you wanna be with me)
I'm a genie in a bottle baby
Come come, come on and let me outOoh, my body's sayin' lets go

Ooh, but my heart is sayin' noIf you wanna be with me
Baby there's a price to pay
I'm a genie in a bottle (I'm a genie in a bottle)
You gotta rub me the right wayIf you wanna be with me
I can make your wish come true
Just come and set me free, baby
And I'll be with youIf you wanna be with me
Baby there's a price to pay
I'm a genie in a bottle (In a bottle baby)
You gotta rub me the right wayIf you wanna be with me (If you wanna be with me)
I can make your wish come true
Just come and set me free baby
And I'll be with youI'm a genie in a bottle baby
Come come, come on and let me out
