

Long Hot Summer (feat. Isaiah Dreads)

Dakota

[Verse 1]

These days and nights go by
We lead our secret lives
If they found out they'd tell us no
Come on and take me hand
This is our only chance
Just close your eyes and let it go[Pre-Chorus]
Baby we fly in the middle of the night
You know I'm serious
It'll be alright when we reach the other side
You know I got delirious[Chorus]
I don't want to be the last one
I don't want to be the one who holds you down
What I feel ain't wrong
Won't be long til we can leave this town
Just up for your love
Just up for your touch
Ain't no stopping us now
It's gonna be a long hot summer[Post-Chorus]
It's your life it's your life
It's gonna be a long hot summer
It's your life it's your life
It's gonna be a long hot summer[Verse 2]
Sneak in out after dark
To heal our lonely hearts
No need to rush we take it slow
They don't think we'll see it through
I won't rest til I have you
We'll be out of sight before they know[Pre-Chorus]
Baby we fly in the middle of the night
You know I'm serious
It'll be alright when we reach the other side
You know I got delirious[Chorus]
I don't want to be the last one
I don't want to be the one who holds you down
What I feel ain't wrong
Won't be long til we can leave this town
Just up for your love
Just up for your touch

Ain't no stopping us now
It's gonna be a long hot summer[Post-Chorus]
It's your life it's your life
It's gonna be a long hot summer
It's your life it's your life
It's gonna be a long hot summer
It's your life it's your life
It's gonna be a long hot summer
It's your life it's your life
It's gonna be a long hot summer[Pre-Chorus]
Baby we fly in the middle of the night
You know I'm serious
It'll be alright when we reach the other side
You know I got delirious[Chorus]
I don't want to be the last one
I don't want to be the one who holds you down
What I feel ain't wrong
Won't be long til we can leave this town
Just up for your love
Just up for your touch
Ain't no stopping us now
It's gonna be a long hot summer[Post-Chorus]
It's your life it's your life
It's gonna be a long hot summer
It's your life it's your life
It's gonna be a long hot summer
It's your life it's your life
It's gonna be a long hot summer
Ain't no stopping us now
It's gonna be a long hot summer
