Loving You Is Paradise

Firehouse

I got lucky, I found heaven here on earth
Oh, I can see it in your eyes
When I look at you
I see all my dreams come true
Cause loving you is paradise
I never knew before I met ya
That angels could exist
You are the one temptation, angel
That I can't resist
I believe forever, we can stay together
Cause loving you is paradise
Never say goodbye, our love will never die
Cause loving you is paradise
I wasn't lookin' for a miracle
Oh, and then you came into me life
You've opened my eyes, made me realize
That lovin' you is paradise

And now I know that angels do exist
Cause your sweet loving baby
Is what I can't resist
I believe forever, we can stay together
Cause loving you is paradise
Never say goodbye, our love will never die
Cause loving you is paradise
I believe forever, we can stay together
Cause loving you is paradise
Never say goodbye, our love will never die
Cause loving you is paradise
Lovin' you is paradise
Lovin' you is paradise
Lovin' you is paradise
