

Guest (feat. Iris) [Young Franco Remix]

Jean Tonique

I know I don't want to be sure all the eyes are on me
I know I don't want to be sure all the lights on, I can't breathe
I know I don't want to be sure all the eyes are on me
I know I don't want to be sure all the lights on, I can't breathe
Don't leave that I came, okay?
and I, although that I meet right in
oh where I didn't want to go
and I, I'm sure I'm ready to be a guest
I won't leave a home sometime
I want to be home right now
I know I don't want to be sure all the eyes are on me
I know I don't want to be sure all the lights on, I can't breathe
Don't leave that I came, okay?
and I, although that I meet right in
oh where I didn't want to go
and I, I'm sure I'm ready to be a guest
