

Rhinestones

Faron Young

Rhinestone rhinestones for your pretty hand
Daddy bought 'em from the rhinestone man
Rhinestone rhinestones for your curly hair
Just like the ones your mommie used to wear
(Just like the ones your mommie used to wear) Oh mommie's gone so far away and daddy thinks of mommie
every day
I don't know but I believe up there mommie's wearin' diamonds in her hair
(Mommie's wearin' diamonds in her hair) Oh I wish things could be just like they were
Mommie left you here and you look so much like her
And everytime rhinestones you wanna wear
I think of her rhinestones in her hair Rhinestone rhinestones...
