

# Alien (Live In Columbus, Ohio 1999)

## Third Day

I'm what You're looking for  
No need to search any more  
I'm in need of Your saving You, You can give me hope  
Rescue my wretched soul  
You are the one I am praying I am just like the alien  
The fatherless and the widow  
I am just like the alien  
The fatherless and the widow Keep Your watch over me  
Sustain the life in me  
Frustrate the ways of every wicked man Let me inside Your home  
Father defend my cause  
Plead for my case and my innocence I am just like the alien  
The fatherless and the widow  
I am just like the alien  
The fatherless and the widow Just like the alien  
I'm a stranger in a strange land  
Just like the fatherless, I am in need  
Of someone to take my hand Just like the widow  
I need You right now  
To understand and save me Won't You save me?  
Won't You save me?  
Won't You save me?  
Save me, save me I am just like the alien  
Fatherless and the widow  
I am just like the alien  
The fatherless and the widow
