

# You Were Meant for Me

**Lalah Hathaway**

You were meant for me  
No one else could come  
Between this love, I Know  
Cause I'll never let you go  
You and me it seems  
Never had a problem  
We can't overcome  
Cause you'll always be the one  
Never thought I'd be so happy  
Loving you has made me feel so fine  
I can see my friends turn green with envy  
And everytime I tell them, I'm so glad you're mine  
You were meant for me  
No one else could come  
Between this love, I Know  
Cause I'll never let you go  
You and me it seems  
Never had a problem  
We can't overcome  
Cause you'll always be the one, yeah  
Never did one thing to hurt me  
You always understood my ways  
If I could I'd stay right here beside you  
With your hand in mine, making love for days  
You were meant for me  
No one else could come  
Between this love, I know  
Cause I'll never let you go, you were meant for me
