

You Are For Me

Kari Jobe

So faithful
So constant
So loving and so true
So powerful in all You do
You fill me
You see me
You know my every move
You love for me to sing to You
I know that You are for me
I know that You are for me
I know that You will never
Forsake me in my weakness
And I know that You have come down
Even if to ride upon my heart
To remind me who You are
So patient
So gracious
So merciful and true
So wonderful in all You do
You fill me
You see me
You know my every move
And You love for me to sing to You
And Lord, I know that You are for me
I know that You are for me
I know that You will never
Forsake me in my weakness
And I know that You have come down
Even if to ride upon my heart
To remind me
I know that You are for me
I know that You are for me
I know that You will never
Forsake me in my weakness
And I know that You have come down
Even if to ride upon my heart
To remind me who You are
You remind me
I know that You are for me

I know that You are for me
I know that You will never
Forsake me in my weakness
And I know that You have come down
Even if to ride upon my heart
To remind me who You are
