

# Action!

## De La Soul

What's three after the cam and the lights  
And provide the best scene for the fights?

You know the words, action!

Mine's gold-plated, all animated

Never outdated

Cardio-pass inspection

Feel the heat and the breeze

Inferno without the disco

So we never [?] to your needs

(It's physical) Best believe

(It's actual) -ly part of the plan

[?] the art of a man it's a beat

Known to keep a [?] still in the fee

Our action's not act

We're bound to make you (move) in fact

Just (move) get up (time to go)

We'll be right there without a care like

(Ooh this thing is physical, ooh this thing is virtual)

(Move, get up, time to go, move, get up, time to roll)

(Ooh this thing is magical, ooh this thing is actual)

(Move, get up, time to go, move, get up time to roll)

A-C- (action) -T-I- (action) -O-N- (action), let it all begin

A-C- (action) -T-I- (action) -O-N- (action), let it all begin, aightWith energy and motions, while y'all emotional

Pros and partays but not promotional

[?] be free, dangerously and apocytic

And there's no way for you to stop it

Cause we never stand still and y'all just anvils

Geographically rooted in landfill

Meaning y'all are trash, that's it

And I gotta move the dance like that's the fit

And the formula I admit for the tape

Hands reaching for pieces to break

It feels so good that for Goodness sake you just (move)

Get up, no need to let up (move)

We got the action to make you (move)

We own the action to make you (move)

We are the action to make you (move)

Get up, time to go

Ooh this thing is physical, ooh this thing is virtual

Move, get up, time to go, move, get up, time to roll  
Ooh this thing is magical, ooh this thing is actual  
Move, get up, time to go, move, get up time to roll  
A-C- (action) -T-I- (action) -O-N- (action), let it all begin  
A-C- (action) -T-I- (action) -O-N- (action)  
A-C- (action) -T-I- (action) -O-N- (action), let it all begin
