Sugar Buzz

Marvelous 3

Oh, sweet thing,
You're just like a Sugar Buzz
Doing to me just what sugar does.
The heart is fall, it ever was,
I so high like I was on some devil's struck
You lift me up straight to the top
Suspended me until I drown.

[Chorus]
Can't get enough,
I can live without it,
Can't get enough!
What this love does to me,
To me, sugar buzz?

You got me, as I could be,
Spinning like the world without its gravity,
Sometimes I wish I never tasted this
What if is

[Chorus]
