

# Sugar Buzz

## Marvelous 3

Oh, sweet thing,  
You're just like a Sugar Buzz  
Doing to me just what sugar does.  
The heart is fall, it ever was,  
I so high like I was on some devil's struck  
You lift me up straight to the top  
Suspended me until I drown.

[Chorus]  
Can't get enough,  
I can live without it,  
Can't get enough!  
What this love does to me,  
To me, sugar buzz?

You got me, as I could be,  
Spinning like the world without its gravity,  
Sometimes I wish I never tasted this  
What if is

[Chorus]
