

# Mortar Grind

## Pain of Salvation

Emelie is sad  
Emelie is sad  
Emelie is sad  
She used to be glad  
Now Emelie's been had  
Emelie's been had  
Emelie's been had  
She might never be glad Oh, but there is something deep inside her  
Oh, if we could only see inside her Now she's mine, all broken inside  
A product of your fine  
MORTAR GRIND  
Every crime is seeping inside  
Until they're all mine  
Burn them away Jenny used to smile  
Jenny used to smile  
Jenny used to smile  
Now she'll only hide  
Jenny's in denial  
Jenny's in denial  
Jenny's in denial  
She might never smile Oh, but there is something deep inside her  
Oh, I know 'cause I have been inside her Now she's mine, all broken inside  
A product of your fine  
Mortar grind  
Every crime is seeping inside  
Until they're all mine  
Burn them away  
Burn them away --I used to be mine  
I used to be mine  
I used to be mine  
Now I'm feeling blind  
I'm too deep inside  
I'm too deep inside  
I'm too deep inside  
This mortar grind --Now it's mine, all broken inside  
A product of their fine  
Mortar grind  
(Burn it away)  
All this vile

Sulphur and brine  
I keep deep inside  
(Oh) Burn it away  
Burn it away  
Oh, burn it away  
Burn it away
