Anything (I thought you knew) By Samiyo

[wooo, hoo, yeah, eah yeah...woo oh]

You always shed, a tear of joy  
you say I make you happy. And that  
I never cease to amaze you, amaze you.  
Well you should know by now. You are  
the one that I adore (I adore) there's  
not one day, that goes by that  
I don't love you.

I thought you knew, I would do anything  
for you. You don't even have to ask my love.  
I would do anything for you [2 x's]

Let me hold your hand, now I want you in  
my arms. When we're together. We're safe  
from all harm. There's no need for you to ring  
the alarm.  
'cause no one else will be in these arms  
But you

I thought you knew, I would do anything  
for you. You don't even have to ask my love.  
I'd do anything for you [2 x's]

[Woo oh, I thought you knew baby]

Would you please, except this ring  
and make an honest man of me?  
I want to know baby will you be my bride?  
I'm just waiting to hear the words yes  
will you,say yes, say yes, say yes.....  
She say's....Yes

I thought you knew, I would do anything  
for you. You don't even have to ask my love.  
I'd do anything for you
